

Altra-Air *Sailfin*

Designer Series Custom Colours & Hydrographics

Harness the benefits of the Altra-Air Sailfin fan & customize the colour scheme to fit seamlessly into your facilities design!

Custom blade colours are available for the Altra-Air Sailfin fans ranging from 12' to 24' in diameter and includes a matching hub label design.

Envira-North Systems is now offering the opportunity to have your blades custom wrapped in painted or dipped in any colour, pattern or design you choose.

We can even match corporate colours and graphics to support the consistency of your associations brand!
